

SENATE FISH AND GAME

EXHIBIT NO. 2

DATE 4-11-13

BILL NO. HB 404

Montana Sportsmen ALLIANCE

Voice of Reason on Montana Fish and Wildlife Issues

TO: SENATE FISH AND GAME

FROM: MONTANA SPORTSMEN ALLIANCE

HB 404

The Montana Sportsmen Alliance would like to register our OPPOSITION to HB 404. We went to our membership early on this bill and were surprised to find absolutely no support. We, like many of you folks, thought ACCESS was the number one issue for sportsmen. Our membership told us that ACCESS has been the number one issue until the legislature started attacking Habitat Montana.

So to be clear, HABITAT in the form of HABITAT MONTANA and other such funds is the number one issue with ACCESS running second.

So please consider the Montana Sportsmen Alliance OPPOSED to HB 404 and any other bills raiding habitat funds. We want to thank Rep. Flynn for his efforts.
